Vertical pipe of bottom pouring	ingot mould	Horizontal channels of bottom pouring
Joining cement for bricks of pipe	Cement for sticking thermal insulating material	Mortars for joining bricks of channel
Joining mortar for bricks of pipe		Cements for joining bricks of channel
Ramming mix for blocking the top of pipe		Protection coating of channels
Mastic for blocking the inlet of pipe		

## Our Products

Area	Applications	Products
1) Vertical pipe of bottom pouring	Jointing cements for bricks of pipe	Refracol 13, 3
	Jointing cements for bricks of pipe	Refracol 25, 25 GA1
	Ramming mix for blocking the top of pipe	Refracol 33 A4, 713
	Mastic for blocking the top of pipe	Refracol 25 Bis
2) Ingot mould	Cement for sticking thermal insulating material	Refracol 236
3) horizontal channels of bottom pouring	Mortar for jointing bricks of channels	Refracol 25
	Graphite Mortars for jointing bricks of channels	Refracol 25 GA1,25 GA2
	Cement for jointing bricks of channels	Refracol 13
	Cold coating for the horizontal channel	Refracol LGS 5
	Hot coating for the horizontal channel	Refracol MI 3 + LXH
