Glue for insulating material	Reenforcing plates around outlet	Jointing cement for insulating bricks
		Glue for insulating material

## Our Products

		Our Froducts
Area	Applications	Products
1) Cylinder	Jointing cement for working lining	Refracol 6T P10,977 WPT
	Jointing cement for permanent lining	Refracol 6 A72
	Jointing cement for safety lining	Refracol 8, 8 A
	Glue for sticking insulating material	Refracol 12 A
2) Outlet	Gunning mix for outside parts around outlet	Beton 886 P, 88 P
	Gunning mix for cover	Beton 886 P, 770 P
	Castable mix for outlet	Refravibre 461 RTC
	Alumina-SiC castable mix for outlet	Refravibre K 780
	Reenforcing plates around outlet	In FibroCeram
3) Conic part and Mirror	Castable mix for mirror area	Beton 886 P
	Jointing cement for working lining	Refracol 6T P10,977 WPT
	Jointing cement for permanent lining	Refracol 6 A72
	Jointing cement for safety lining	Refracol 8, 8 A, 6A72
	Glue for sticking insulating material	Refracol 12 A
